
Facility Associate

Scarborough, Ontario, Canada

Bedrocan Canada Ltd. is looking to hire a Facility Associate who will support the functioning of its production facility in Canada. The role will be located in Scarborough and will initially be for three days per week starting January 2025. The Facility Associate will report to the Facility Manager of Bedrocan Canada.

About Bedrocan

Bedrocan is the most experienced producer of medicinal cannabis in the world. We have developed and standardised unique methods of producing cannabis to pharmaceutical standards. Due to our standardised, high-quality products, many pharmaceutical companies and research institutions have chosen to work with us.

Bedrocan currently operates three EU-GMP-certified production facilities, two in the Netherlands and one in Denmark.

Bedrocan was recently granted a cultivation license by Health Canada for its new production facility in Scarborough. From this location we will serve the Canadian patient. As our reach and influence expand, we are looking for highly qualified and motivated professionals. Are you the next to join our team and play a vital role in this exciting journey?

What You Will Do

The Facility Associate will be part of Bedrocan Canada's Facility Team. Your role is to support the production operation and help ensure that all functions have the necessary equipment to fulfill their jobs. The tasks are very varied from maintaining and cleaning the warehouse and office areas to preparing goods for transport, replenishing production stock, and handling waste. You will also assist with the maintenance and calibration of equipment. In addition, there are tasks within administrative support, and you will also have the opportunity to participate in projects across the organization.

What We Ask From You

- Availability for 3 days per week as of January 6, 2025.
- A team player with a can-do attitude.
- Technical background including experience with operating automation systems, HVAC central plants, and water treatment systems.
- Experience in production and logistics; procurement and GPP is a plus.
- Proficiency in Microsoft Office (Word, Excel, Outlook).
- Excellent English communication and written skills.
- Are structured and can prioritize your tasks.
- Customer focus, discretion, and confidentiality are of paramount importance to you.
- Are service-minded, flexible, and proactive.

- Have a driver's license.
- Preferably living in the Greater Toronto Area.
- Possess the necessary Canadian work authorisation.

What We Offer

- The ability to build an internationally recognized medicinal cannabis organization.
- On-the-job training.
- Health, dental, and vision insurance.
- Paid time off.

How To Apply

For further information on this vacancy please contact Frane Šunjić, Bedrocan International Facilities Manager, by e-mailing f.sunjic@bedrocan.com.

Please send your English CV together with a salary indication to career@bedrocan.com by **November 8 2024**.

Procedure

The first interview round will be held virtually between November 11 and 15 2024. The final interview round(s) will be held in person at the production facility in Scarborough between November 18 and 29 2024.
