

General Counsel & Corporate Secretary (3 to 4 days a week)

Bedrocan International B.V. is looking to hire a **General Counsel & Corporate Secretary**. The role will be located in **Emmeloord/Amsterdam** and will initially be for three to four days per week starting January/February 2023. The General Counsel & Corporate Secretary will report hierarchically to the CFO of Bedrocan International in the Netherlands.

About Bedrocan International

Bedrocan International is an experienced pharmaceutical raw material producer of legal medicinal cannabis and since 2003, via its subsidiary Bedrocan Nederland B.V., has been the exclusive supplier of medicinal cannabis to the Office of Medicinal Cannabis (OMC) in the Netherlands.

Bedrocan International believes that medicinal cannabis can, and should, meet all of the existing regulations for medicines. At the company, we strive to achieve the registration of medicinal cannabis and/or its derivatives as an official medicine through a regulatory process that is acceptable to patients, regulators, and healthcare professionals. Because of the pharmaceutical quality of our products, the variety of our products, and the possibility to export our products, many governments, scientists, and pharmaceutical companies across the globe have chosen to work with Bedrocan International.

After 20 years of consistently supplying the pharmaceutical grade cannabis to the OMC, Bedrocan has decided to expand its operations to other countries in Europe.

What You Will Do

The General Counsel & Corporate Secretary is the head of our Legal Affairs team consisting of the Legal Counsel and the General Counsel & Corporate Secretary. Your roles and responsibilities will be mainly

- Advise the executive team and the board on various matters related to legal rights, new and existing laws and expansion to other European countries.
- Managing relationships between shareholders, board and their stakeholders.
- Managing board and shareholders meetings and the preparation of all necessary documents, agenda's, invitations, reservations, minutes et cetera as deemed necessary for the meetings, including any follow up after such a meeting.
- Ensuring legal compliance regarding mergers and acquisitions activity, creating new entities and managing Bedrocan's IP post-completion of such transactions.

- Conduct legal research and review the company's strategy pertaining to legal actions.
- Anticipate issues and identify proactive solutions that will eliminate or mitigate risks.

Your qualifications

- Master of Laws, whether or not completed.
- More than 10 years of experience preferably in a business environment.
- Knowledge of and experience with corporate and contract law (Dutch and international).
- Experience with working closely with senior management, preferably including board and shareholders.
- Experience working in a highly regulated industry.
- Experience working with tender processes.
- Proficient legal experience in fund investments, venture capital financing and M&A.
- Experience with corporate governance issues.
- Good command of Dutch and English, both orally and in writing.
- Team player being able to support the development of the Legal Counsel.
- Willingness to travel
