Junior Legal Counsel

Bedrocan International B.V. is looking for a Junior Legal Counsel to work with its global team on their premises primarily in **Emmeloord**.

About Bedrocan

Bedrocan is the most experienced producer of medicinal cannabis in the world. We are renowned for our standardised, high-quality products, which is why numerous governments, scientists and pharmaceutical companies have chosen to work with us all around the world. As our reach and influence is rapidly expanding in the global cannabis industry, we are looking for highly qualified and motivated professionals. Are you the next to join our team and play a vital role in this exciting journey?

What will you do?

In your role as Junior Legal Counsel you will support the corporate housekeeping/ day-to-day tasks of the department and focus on the development and maintenance of the in-house legal knowledge. As part of the Legal Affairs team you will be co-responsible for the compliance with applicable laws and regulations of our (internationally) expanding company.

Key responsibilities:

- Supporting the Manager Legal Affairs in providing corporate and commercial legal advice on a wide spectrum of legal matters, including risk assessment;
- Performing case law studies;
- Actively driving compliance with legal requirements;
- Dealing with requests for legal support to the organisation (e.g. collaboration with Regulatory Affairs and HR);
- Reviewing/drafting agreements and other documents, assisting with the implementation of new policies and projects;
- Independent processing of legal documents, organizing, digitization and archiving information and documents, managing internal data files.

Your background

- You possess a bachelor/ HBO(+) degree in Law;
- Internship or demonstrable experience within a Legal environment;
- Proactive, capable of using own initiative and setting priorities;
- Problem solving approach;
- Pragmatic and commercial approach;
- Excellent communication skills in both English and Dutch;
- Experience working in an international environment is desirable;
- Knowledge of the medical/pharma industry is a plus;

- Ability to thrive in a dynamic environment and flexibility to adapt to changing processes/demands/systems associated with a growing company.

Our Offer

We offer a part-time job (32 hours/week), for a period of one year with the possibility to extend to an indefinite-term contract, as well as a market competitive salary within a strong growing and internationally expanding company.

How to apply?
