

## Junior Project Manager

Bedrocan International B.V. is looking for a Junior Project Manager to work with its rapidly expanding team at their facility in Emmeloord.

### About Bedrocan

Bedrocan is the most experienced producer of medicinal cannabis in the world. We are renowned for our standardized, high-quality products, which is why numerous governments, scientists and pharmaceutical companies have chosen to work with us all around the world. We believe that our product is one of a kind and the best in the world.

As our reach and influence is rapidly expanding in the global cannabis industry, we are looking for highly qualified and motivated professionals. Are you ready to join our team and play a vital role in this exciting journey?

### What you will do

Your duties as Junior Project Manager in Bedrocan will include planning, monitoring, budgeting and reporting on the projects you launch or you are assigned to. The ultimate goal of your role is to successfully connect the upper Management and the respective teams tasked with the actual execution of the project. Due to the company's rapid growth, you will be involved in variety of projects, from the expansion in other countries (eg. setting up new facilities) to improvement of the production processes and implementation of new systems.

Some of these projects may include travelling to other countries in order to monitor project progress and ensure timely execution.

Your key duties amongst others will involve:

- frequent reporting on the project progress
- assigning tasks to the project team members
- tracking project performance
- managing changes to the project scope
- ensure that projects are delivered on-time, within scope and within budget

### Who you are

- You have a background in life sciences
- You are able to develop a detailed project plan, including the planning of resources
- Able to assemble and lead a project team
- Your time management skills are well developed
- You have a demonstrated ability to manage issues and risks
- You have a good knowledge of project administration including familiarity with budgeting
- You are confident in managing the communication with third parties
- You have the willingness and ability to occasionally travel abroad

### What we offer

- An exciting job at an internationally expanding company where change creates opportunities for growth and the employees believe in the success of our products
- A company laptop and mobile phone
- Reimbursement of your travel expenses
- Opportunity to occasionally work from home
